

Redwood Viking Band, Inc. 2021/2022

Pledge Partner Financial Commitment

The Redwood Middle School Band Booster Club (Redwood Viking Band, Inc.) is thrilled to offer this comprehensive band program to every student, regardless of the family's contribution. Redwood Middle School does **not** pay for the assistant instructors, transportation, student meals, instruments, music, uniforms, festival fees, parade entrance fees, equipment rental, and many other expenses. Because these costs are **not covered by CVUSD, they must be paid for by us, the families of these students.** Therefore, we rely on our own donations so that our kids can participate in this wonderful program. We refer to ourselves as *Pledge Partners* by making investments that directly benefit our kids.

What Does Your \$350 Support?

For less than a dollar a day, your child receives:

- **Specialists:** These instructors provide training similar to a semi-private lesson.
- **Parade Experiences:** Uniforms, buses, fees, and more.
- **Instruments:** School instruments must be repaired and replaced as needed.

Your student has band five days per week for far less than the cost of an elementary band program, which typically meets only twice a week.

Such a value!

Will you please join us as a Pledge Partner?
No amount is too small or large, because every penny counts.
